A perfect place to call home

A sanctuary of flowing space and natural light, this elegant five-bedroom plus study home promises extraordinary value in a blue-ribbon residential enclave. Showcasing original charm and modern comfort in equal measure, the property unfolds over two classically-proportioned levels incorporating open-plan living venues, a gas-equipped entertainers' kitchen with stone benchtops, and a north-facing master suite complete with dressing room, air-conditioning and sparkling ocean views.

Extending to the rear through French doors, a sleek relaxation deck overlooks the sweep of low-maintenance lawns enclosed within privacy foliage. Built-in bench seating, a handy storage shed and a gas-heated swimming pool with frameless glass fencing complete a modern and family-friendly alfresco picture.
